Product code

KU40-0CPG-#### (final 4 digits relate to pack size).

Pack sizes

1 litre (01AF) and 10 litres (01F9).

Application

Short-term and long-term storage: Apply Varn® Complete to a damp plate using a damp sponge. Remove all the ink and wipe the plate with a clean damp cloth. Re-apply Varn® Complete and buff down to a smooth thin film to eliminate streaks before allowing to dry naturally. Do not use fan heaters or driers as these can harden or crack the protective film.

More products. Streamlined access. Greater results.
