

Varn CtP Plate Cleaner

No abrasive plate cleaner

Varn CtP Plate Cleaner is a unique formulation with no abrasive properties, suited for use for the removal of ink or to desensitise without damaging even the softest of CtP plate coatings.

Varn CtP Plate Cleaner is an effective plate cleaner that will economically remove even dried-on ink easily, without damage to all types of pre-sensitised plates.

Varn CtP Plate Cleaner is fully compatible with a wide range of inks including UV & metallics.

Features	Advantages	Benefits
No abbrasive.	Mild action.	Won't damage plate.
No aromatic - mild solvents.	Low odour.	Safer working environment.
High gum content.	Strong desensitisation.	Long plate life.
Suitable for a wide range of inks and plates.	Versatile.	One product for all uses.

Product Benefits

- CtP plate friendly.
- Longer plate life.
- Contains desensitisers to remove light scratching and oxidation.
- Viscous formula for economic use.
- Suitable for all thermal, photopolymer and silver halide CtP aluminium plates.

Directions for use

Apply to the plate with a dampened cloth or sponge.

Remove ink, then clean plate with clean damp cloth.
